Show Approval & Points

The 2024 Gold Rush Peruvian Horse Classic is conducted under the rules of the North American Peruvian Horse Association (NAPHA) as an APP (All Peruvian Paso) Championship Show. This is a drug free show with testing following USEF and NAPHA rules. Only horses with registration certificates issued by NAPHA, PPHRNA, AAOBPPH, or the PHAC may participate.

The 2024 Gold Rush Classic is approved by NAPHA. This show will earn a minimum of double points for NAPHA Awards if the recorded owner(s) of the horse is/are a current NAPHA member at the time of the show—Year end Awards—Medallon de Plata, High Point Performance Horse/Gelding, Zone 2 and Lifetime Awards—Medallon de Oro, Medallon de Bronce and the NAPHA Lifetime Award—Medallon de Diamante. A complete explanation of the NAPHA point system can be found in the NAPHA show rules book found at napha.net

The 2024 Gold Rush Classic is approved by the Peruvian Horse Association of Canada (PHAC); qualified entries will receive annual and lifetime PHAC points.

22nd GOLD RUSH PERUVIAN HORSE CLASSIC
33rd SCPPHC SPRING CLASSIC SHOW
21st RIO GRANDE PERUVIAN HORSE SHOW

The Gold Rush Peruvian Horse Classic is celebrating its 22nd year since its inception as a combined Regional Championship Show. Started between the Western Colorado Peruvian Horse Club and the Centennial State Peruvian Horse Club held at National Western in Denver for years, has now grown to something quite a bit more. The first few years of the GRC, would see the formation of the Rio Grande Club with Barbara Windom at the helm, the opening of The South Point Equestrian Facility in Las Vegas and the dedication of Barbara and Eleanor Palmisano working together to bring the show to this now world class facility in 2007. The Gold Rush Classic has continued for 14 years at the South Point with the Rio Grande as one regional show sharing first with Centennial State, then Central Coast and finally the Southern California Peruvian Paso Horse Club.

Barbara had been integral to the GRC's survival and months before the show in 2017, she was suddenly taken from us. However, the organizational foundation she and Eleanor had laid over the years and collaboration with so many dedicated and hard-working individuals, made it possible for the show to go on. It brought our Peruvian Horse community together like never before. And before the show weekend was done a group of exhibitors and supporters came together and formed the Barbara Windom Legacy Sponsorship- a sponsorship aimed at covering the facility fees for the next three years. The Southern California Peruvian Paso Horse Club agreed to take the hosting reins to hold the Gold Rush Classic at the South Point in Vegas, hosting its Spring Classic Show and the Rio Grande Gold Rush Classic Show.

We are proud to continue offering two Amateur levels, detailed information on page 5. The Champagne class will again be giving out cash prizes as well as Champagne – 1st – 3rd place. And the Versatility Winner this year gets \$500 towards their hotel stay, on us!

The GRC volunteers, sponsors, officials, staff, exhibitors, and guests keep the Gold Rush Classic alive and we look forward to seeing you all this year in June at the South Point Hotel, Casino and Equestrian Center in Las Vegas, Nevada. Come be part of something wonderful, come be part of one of the best show weekends of the year with us, come celebrate our community and the magnificent Peruvian Paso Horse!

Amateur Performance Levels 1 & 2:

SCPPHC is excited to announce a change within our show for the Amateur Performance Division. Riders graduating from Novice classes have often felt overwhelmed by the breadth of riding abilities that they face when entering Amateur performance classes. Therefore, the SCPHC is offering a more graduated approach within Amateur performance classes by splitting them into two groups: Amateur Level 1 & Amateur Level 2.

To qualify for Amateur Level 1, individuals will declare in writing on their show entry form that they have not won more than 5 Champion of Championship in Open Performance and/or Open Breeding/Luxury Classes. Riders are not allowed to change between levels at this show. Riders are not allowed to switch between levels and must declare what level they will be riding at. Please see the Amateur declaration at our website goldrushclassic.com.

Rule Exception: Bumper spurs will be allowed for Amateur performance classes.

Credit/Debit card transactions are processed through the Southern California Peruvian Paso Horse Club's Square account.

- A credit/debit card number, or a signed and dated open check must be left with Show Secretary when checking into show office and before back numbers are distributed. This covers any added classes or expenses through the show weekend.

Outstanding Debts

- Anyone owing a debt 60 days past due from the date of the first billing to NAPHA or one of its approved shows may not be allowed to show in a NAPHA approved show in any capacity.
- No exhibitor owing an outstanding balance to SCPPHC or GRC will be allowed to exhibit until the balance is paid in full.

Late Fees

- A late fee of \$20 will be applied to each exhibitor fee and \$35 to each stall fee for entries received after June 1st. This late fee will also be applied to incomplete entries after June 1st (i.e. those without payment or registration papers, regardless of when they were received).
- Past Champions entering directly into Ch. of Champions will be charged an additional \$75 late fee if entered after 8:30 am on Friday, June 21st.

Stakes Class Prize Money: All Stakes Prizes shall be paid AFTER the show, after blood test results are received and all show bills have been settled to the satisfaction of the Gold Rush Classic. All stakes purses go to the owner or lessee of the winning horse whose name(s) appears as such on the entry form; Champagne Class money is paid in cash to the rider at the conclusion of class.

Refunds and Substitutions

- Valid, written veterinary excuse required for refunds!
- Pre-entered horses: Class and stall fees ARE refundable. The office fee, drug test fee, and security fee are NOT refundable.
- At show: Refunds for pre-entered classes ONLY, if the horse has not entered them.
- If a horse is entered by close of entries, but then is unable to perform, another horse may be substituted at no additional fee.

Entry Information:

- Entries due by June 1. Please keep in mind, issues can arise with registration and can take several weeks to straighten out and the entry due date of June 1. allows a 18-day window to handle unseen issues. You will receive a confirmation email with a copy of your entry invoice and barn assignment as your entry is received and processed by the Show Secretary. Horses brought for sale are subject to the Exhibitor fee, stall fee and same deadlines as exhibiting horses.

- Incomplete Entries are subject to late fees after June 1. These are entries that are missing any of the following; horse registration, FULL entry payment, or insufficiently filled-out entry paperwork. You will be contacted by the show secretary in the event of incomplete entry/payment. If payment is not received your exhibitor packet and numbers will not be released without a full entry payment via credit/debit card and late fees will be applied.

- Horses must be registered with NAPHA (formerly PPHRNA or AAOBPPH) or the PHAC. A copy of the registration papers for each horse, **MUST BE SUBMITTED***, with the entry form. Please Note*: The GRC understands that there are last-minute changes of ownership and issues that result in your registration paper to not be in hand until after the June 1st late fee deadline, do not let this be the only reason for not submitting your entry on time. You can **AVOID LATE FEE** charges due to registration hold-ups by contacting the **SHOW SECRETARY** in advance of the deadline.

- Stallions and Geldings: All male horses age 4 and older and shown in the bit **MUST** be registered as Breeding Stallions or Geldings.

- Declaration of Amateur/Novice Status- **PLEASE READ THESE CAREFULLY!** Anyone competing in these designated divisions are required to have a signed Declaration on file with NAPHA. You can find these at www.napha.net under the Forms & Rules tab at the top.

RULES AND SHOW STANDARDS

NAPHA Rules:

The GRC is operated in accordance with the current official Rules and Regulations of Horse Showing and Peruvian Pas Breed Standards of the North American Peruvian Horse Association. Every person who participates in the show is responsible for a knowledge of, and is subject to, these NAPHA rules. Rule book can be obtained at www.napha.net under Forms & Rules.

Everything is being done to conduct the show on the highest possible plane and for the pleasure of exhibitors and spectators. The best adjudicating officials to be found are selected and they will place awards upon the horses as they see them presented in the arena, without regard to previous records of performance.

- Judges Authority:

- The judges have the authority to place any horse in whatever position he/she thinks the merit of the horse justifies. Any exhibitor desiring to discuss his placing with a Judge must **FIRST** obtain permission from the Show Steward.

- The judges do not confer and make all placings for their respective shows independently, except for any exhibition classes and Champagne Class where there is only one set of awards.

- In the event the judge is unable to perform their duty, the SCPPHC reserves the right to substitute an equally qualified judge.

- The GRC retains the right to substitute any show official as needed.

- Cones Spacing: It will be requested of the judges to keep the spacing between cones in the performance division classes to be at least 8 feet apart.

General Rules:

- It is MANDATORY upon arriving to the warm up arena, that you check in for your class with the Gate Steward. You will not be permitted to enter show arena until the Gate Steward has confirmed your entry.

- All ADD/DELETE/RIDER CHANGES will be **accepted no later than 3 classes prior to requested class with Show Secretary on provided slips**

- **GATE SCRATCHES ARE PROHIBITED!**

It is up to the exhibitor to keep track of their entries- including all Championship qualified classes, which are automatically entered. If a delete slip is not on file in the show office, you will be billed for that class. The show office is happy to supply all exhibitors with a copy of qualified Championship classes- come by any time during office hours to confirm. There will be NO exceptions to this rule.

Conduct and Safety:

- The GRC expects the highest standards of ethics from its exhibitors and those persons under their authority and will tolerate no act of disobedience or discourtesy toward any show official, under penalty of disqualification or expulsion from the show. Courtesy will be shown to fellow exhibitors and the viewing public at all times.

- Cruelty to any horse, by any person, at this show will NOT be tolerated.

- Exhibitors shall always take whatever steps are necessary to protect themselves, their horses, and the viewing public. Please be especially careful in the warm-up arena and gate areas.

Located just east of I-15 (south of I-215) at S. Las Vegas Blvd & Silverado Ranch Blvd. Climate-controlled 4600 seat 250' x 125' arena show floor; 270' x 90' indoor practice arena and a 1200 stall barn area with a huge concourse for vendors & parties. Jumbotron, saloon, snack bar, room service to barn, individual wash rack & warm/cold water, free ice, 24-hour security, feed store on site, vet's office site, assigned trailer parking, exhibitors 24-hour secure access to barn, and only a 5 minute inside walk from hotel room to arena!

All stalls at South Point treated with SynBioNt Laboratory tested SynBioNt Ag Wash helps keep facilities clean and disease free. This dual-action cleaner removes physical barriers to cleaning, such as the build up of grime, and cleanses microorganisms. Based on a patented, synergistic combination of surfactants that have superior cleaning properties, SynBioNt washes away dirt and oil and comprises the cell wall integrity viruses and bacteria even EHV-1. In 2012 South Point incorporated SynBioNt in to its biosecurity protocols. For your horse's protection and your peace of mind, every stall at the South Point is drenched with SynBioNt prior to the arrival of another animal. This is why the GRC does not permit Monday stall check-in.

• **New Flooring at South Point Equestrian Center !**

South Point Arena and Equestrian Center partnered with VSS International, Inc. and Ergon Asphalt & Emulsions to install a custom, macro texture flooring throughout the equestrian center's two barn areas designed to replace the existing flooring with a non-skid surface that increases safety for horses. The new flooring has a texturized surface that will reduce the risk of injuries that could be caused by wet or slick surfaces. The macro-texture flooring is a custom mixture specially designed in a laboratory prior to application, ensuring the proper proportioning and application process. The mixture is composed of a very hard, black volcanic aggregate that comes from the foothills of the Sierra Nevada mountains. This is mixed with a super-polymerized asphalt emulsion. To ensure the flooring mixture was properly created, VSS International's installation process involved on-site mixing of several key components to produce the final product, which was spread and finished by hand to guarantee the highest quality of workmanship and finished product.

Champion of Champions Information

Ch of Ch Classes will be open to the RGPHS & SCPPHC Spring Classic Champions of the current year GRC (qualified at show) PLUS all previous years Champions and Ch of Champions from: 1-RGPHC regional championship shows, SCPPHC Spring Classic Shows, and CCPHC shows from 2010-2014, & 2- previous NAPHA or COMBINED, PPHRNA, AAOBPPH and PHAC National Champion of Champions. All previously qualified Champions and National Champion of Champions directly entering Ch of Champions classes MUST be fully pre-entered by 8:30 am on June 21st or pay an additional \$75 fee.

1. Past Champions: A horse that is a past Champion or Champion of Champions (as defined in the section above) in any division may either enter directly into the corresponding Champion of Champions class for that division or enter into the qualifying classes for that division, but may not do both.

2. Laureados: Per NAPHA – No stallion or mare may compete for Laureado in Breeding Division unless it has at least one purebred registered offspring.

a. Laureado in one show, champion in the other show. A horse that is Laureado in any division in one show and Champion in that division in the other show may either enter directly into the corresponding Champion of Champions class or enter into the qualifying classes for that division, but it cannot do both. The horse may become a Champion of Champions in that division, but not for the show for which it is already Laureado.

b. Laureado in one show, not a champion in the other shows. A horse that is Laureado in any division in one show but NOT a Champion in that division in another show CANNOT directly enter the Champion of Champions class for that division. IT CAN ONLY enter the Ch of Champions class for that division as a Champion of the current year.

c. A horse entered in ANY class in that division will not appear on the class sheet of the judge for the show for which it is already Laureado.
