Show Approval & Points

The 2026 Gold Rush Peruvian Horse Classic is conducted under the rules of the North American Peruvian Horse Association (NAPHA) as an APP (All Peruvian Paso) Championship Show. This is a drug-free show with testing following USEF and NAPHA rules. Only horses with registration certificates issued by NAPHA, PPHRNA, AAOBPPH, or the PHAC may participate.

The 2026 Gold Rush Classic is approved by NAPHA. This show will earn a minimum of double points for NAPHA Awards if the recorded owner(s) of the horse is/are current NAPHA members at the time of the show—Year-end Awards—Medallon de Plata, High Point Performance Horse/Gelding, Zone 2, and Lifetime Awards—Medallon de Oro, Medallon de Bronze, and the NAPHA Lifetime Award—Medallon de Diamante. A complete explanation of the NAPHA point system can be found in the NAPHA show rules book found at napha.net.

The 2026 Gold Rush Classic is approved by the Peruvian Horse Association of Canada (PHAC); qualified entries will receive annual and lifetime PHAC points.

24th GOLD RUSH PERUVIAN HORSE CLASSIC

35th SCPPHC SPRING CLASSIC SHOW

23rd RIO GRANDE PERUVIAN HORSE SHOW

The Gold Rush Peruvian Horse Classic is celebrating its 24th year since its inception as a combined Regional Championship Show. Started between the Western Colorado Peruvian Horse Club and the Centennial State Peruvian Horse Club, held at NationalWestern in Denver for years, has now grown into something quite a bit more. The first few years of the GRC, would see the formation of the Rio Grande Club with BarbaraWindom at the helm, the opening of TheSouth Point Equestrian Facility in Las Vegas and the dedication of Barbara and Eleanor Palmisano working together to bring the show to this now world class facility in 2007. The Gold Rush Classic has continued for 19 years at the South Point Hotel & Casino with the Rio Grande as one regional show sharing first with the Centennial State, then the Central Coast, and finally the Southern California Peruvian Paso Horse Club.

Barbara had been integral to the GRC's survival, and months before the 2017 show, she was suddenly taken from us. However, the organizational foundation she and Eleanor had laid over the years, and collaboration with so many dedicated and hard-working individuals, made it possible for the show to go on. It brought our Peruvian Horse community together like never before. And before the show weekend was done, a group of exhibitors and supporters came together and formed the Barbara Windom Legacy Sponsorship- a sponsorship aimed at covering the facility fees for the next three years. The Southern California Peruvian Paso Horse Club agreed to take the hosting reins to hold the Gold Rush Classic at the South Point Hotel & Casino in Las Vegas, hosting its Spring Classic Show and the Rio Grande Gold Rush Classic Show.

We are proud to continue offering two Amateur levels, as detailed on page 5. The Champagne class will again be giving out cash prizes and Champagne for 1st – 3rd place. And the Versatility Winner this year gets a new leather backpack!

The Gold Rush Classic thrives because of our incredible volunteers, sponsors, officials, staff, exhibitors, and guests, and we can't wait to welcome everyone this June at the South Point Hotel, Casino and Equestrian Center in Las Vegas, Nevada! Join us for an unforgettable weekend filled with the spirit of community and the splendor of the magnificent Peruvian Paso Horse. Be part of this amazing celebration—we're excited to share this experience with you and make lasting memories together!

Amateur Performance Levels 1 & 2:

SCPPHC is excited to announce a change within our show for the Amateur Performance Division. Riders graduating from Novice classes often feel overwhelmed by the breadth of riding abilities that they face when entering Amateur performance classes. Therefore, the SCPHC is offering a more graduated approach within Amateur performance classes by splitting them into two groups: Amateur Level 1 & Amateur Level 2.

To qualify for Amateur Level 1, individuals will declare in writing on their show entry form that they have not won more than 5 Champion of Championships in Open Performance and/or Open Breeding/Luxury Classes. Riders are not allowed to change between levels at this show. Riders are not allowed to switch between levels and must declare the level they will be riding at. Please see the Amateur declaration on our website, goldrushclassic.com.

Rule Exception: Bumperspurs will be allowed for Amateur performance classes.

Entry Information

Entries due by June 1. Please keep in mind that issues can arise with registration and can take several weeks to straighten out, and the entry due date of June 1 allows an 18-day window to address unseen issues. You will receive a confirmation email with a copy of your entry invoice and barn assignment as your entry is received and processed by the Show Secretary. Horses brought for sale are subject to the Exhibitor fee, stall fee, and the same deadlines as exhibiting horses.

- Incomplete Entries are subject to late fees after June 1. These are entries that are missing any of the following information: horse registration, FULL entry payment, or insufficiently filled-out entry paperwork. You will be contacted by the show secretary if your entry/payment is incomplete. If payment is not received, your exhibitor packet and numbers will not be released until a full entry payment is made via credit/debit card, and late fees will be applied.
- Horses must be registered with NAPHA (formerly PPHRNA or AAOBPPH) or the PHAC. A copy of the registration papers for each horse **MUST BE SUBMITTED** with the entry form. **Please Note:** The GRC understands that there may be last-minute changes in ownership and issues that result in your registration papers not being in hand until after the June 1st late fee deadline. Do not let this be the only reason for not submitting your entry on time. You can AVOID LATE FEE charges due to registration hold-ups by contacting the SHOW SECRETARY in advance of the deadline.
- **Stallions and Geldings:** All male horses age 4 and older and shown in the bit MUST be registered as Breeding Stallions or Geldings.
- **Declaration of Amateur/Novice Status-PLEASE READ THESE CAREFULLY!** Anyone competing in these designated divisions is required to have a signed Declaration on file with NAPHA & with the GRC show secretary. You can find these at www.napha.net under the Forms & Rules tab at the top.

Rules and Show Standards

NAPHA Rules:

The GRC is operated in accordance with the current official Rules and Regulations of Horse Showing and Peruvian Paso Breed Standards of the North American Peruvian Horse Association. Every person who participates in the show is responsible for a knowledge of, and is subject to, these NAPHA rules. The rule book can be obtained at www.napha.net under Forms & Rules. Everything is being done to conduct the show on the highest possible plane and for the pleasure of exhibitors and spectators. The best adjudicating officials are selected, and they will place awards upon the horses as they see them presented in the arena, without regard to previous records of performance.

Judges Authority:

- The judges have the authority to place any horse in whatever position he/she thinks the merit of the horse justifies. Any exhibitor desiring to discuss his placing with a Judge must FIRST obtain permission from the Show Steward.
- The judges do not confer and make all placings for their respective shows independently, except for any exhibition classes and Champagne Class, where there is only one set of awards.
- In the event the judge is unable to perform their duty, the SCPPHC reserves the right to substitute an equally qualified judge.

- The GRC retains the right to substitute any show official as needed.
- Cones Spacing: It will be requested of the judges to keep the spacing between cones in the performance division classes at least 12 feet apart.

General Rules:

- It is MANDATORY upon arriving at the warmup arena that you check in for your class with the Gate Steward. You will not be permitted to enter the show arena until the Gate Steward has confirmed your entry.
- All ADD/DELETE/RIDER CHANGES will be accepted no later than 3 classes prior to the requested class with the Show Secretary on the provided slips.
- **GATE SCRATCHES ARE PROHIBITED!**

It is up to the exhibitor to keep track of their entries, including all Championship-qualified classes, which are automatically entered. If a delete slip is not on file in the show office, you will be billed for that class. The show office is happy to supply all exhibitors with a copy of qualified Championship classes, come by any time during office hours to confirm. There will be NO exceptions to this rule.

Conduct and Safety:

- The GRC expects the highest standards of ethics from its exhibitors and those persons under their authority and will tolerate no act of disobedience or discourtesy toward any show official, under penalty of disqualification or expulsion from the show. Courtesy will be shown to fellow exhibitors and the viewing public at all times.
- Cruelty to any horse, by any person, at this show will NOT be tolerated.
- Exhibitors shall always take whatever steps are necessary to protect themselves, their horses, and the viewing public. Please be especially careful in the warm-up arena and gate areas.

**South Point Equestrian Center:
702-797-8005(main) 702-797-8006 (fax)**

Located just east of I-15 (south of I-215) at S. Las Vegas Blvd & Silverado Ranch Blvd. Climate-controlled 4600 seat 250' x 125' arena show floor; 270' x 90' indoor practice arena and a 1200 stall barn area with a huge concourse for vendors & parties. Jumbotron, saloon, snack bar, room service to barn, individual wash rack & warm/cold water, free ice, 24-hour security, feed store on site, vet's office on site, assigned trailer parking, exhibitors 24-hour secure access to barn, and only a 5-minute inside walk from hotel room to arena!

All stalls at South Point are treated with SynBioNt. Laboratory-tested SynBioNt Ag Wash helps keep facilities clean and disease-free. This dual-action cleaner removes physical barriers to cleaning, such as grime buildup, and cleanses microorganisms. Based on a patented, synergistic combination of surfactants with superior cleaning properties, SynBioNt washes away dirt and oil and compromises the cell wall integrity of viruses and bacteria, including EHV-1. In 2012, South Point incorporated SynBioNT into its biosecurity protocols. For your horse's protection and your peace of mind, every stall at the South Point is drenched with SynBioNt prior to the arrival of another animal. This is why the GRC does not permit Monday stall check-in.

Flooring at South Point Equestrian Center!

South Point Arena and Equestrian Center partnered with VSS International, Inc. and Ergon Asphalt & Emulsions to install a custom, macro-texture flooring throughout the equestrian center's two barn areas, designed to replace the existing flooring with a non-skid surface that increases safety for horses.

The new flooring has a textured surface that will reduce the risk of injuries that could be caused by wet or slick surfaces. The macro-texture flooring is a custom mixture specially designed in a laboratory prior to application, ensuring proper proportioning and application. The mixture is composed of a very hard, black volcanic aggregate from the foothills of the Sierra Nevada. This is mixed with a super-polymerized asphalt emulsion. To ensure the flooring mixture was properly created, VSS International's installation process involved on-site mixing of several key components to produce the final product, which was spread and finished by hand to guarantee the highest quality of workmanship and finished product.

Showground Rules

- **Responsibility:** Entries are accepted with the understanding that NAPHA, participating clubs & showgrounds will not be held responsible for any loss, personal injury, or damage to horses exhibited or for any article of any kind or nature that may be lost or destroyed or in any way damaged. All horses shall be under the control and direction of the Show Committee but solely at the risk of the exhibitor, who will be responsible for any injury that may be occasioned to any person or animal or damage to any property while on the grounds by any horse owned or exhibited by him and shall indemnify the management against all claims or damages of any kind or nature, including attorney fees and court costs, that may grow out of any injury occasioned by any horse owned or exhibited by him or arising from any cause whatever, including the negligence of himself or any other person, including the person in charge of any such horse.
- **ABSOLUTELY NO PETS ALLOWED IN HOTEL OR STABLE AREA.**
(Except, of course, service animals as defined by the ADA)
- Stall Decorations are highly discouraged; stall damage will be billed to the exhibitor. ANY ITEMS such as chairs left in the aisles in violation of the fire code will be moved at South Point's discretion. Staples, nails, and tape are forbidden on stalls.
- **ABSOLUTELY NO SMOKING IN THE BARN!** The South Point Equestrian Center has a ZERO TOLERANCE POLICY concerning smoking in the barn, arena, warm-up area, and main concourse. **Exhibitors in violation may be asked to leave the show with NO refunds given!**
- **Hay and Shavings:** South Point does not allow hay to be stored in aisle ways. Exhibitors must order a stall for hay storage during the show weekend. South Point will move any hay found in violation of the fire code and will be billed to the exhibitor.

Stall/Barn Information

Barn Check-In:

- No early arrivals; call the Barn Manager ahead of travel if you need to know where to stay.
- Security will be on duty from Wed. June 18th @ 8:00 p.m. to Mon. June 23rd @ 6:00 a.m.
- We ask that exhibitors work with the staff of both the GRC and South Point upon arrival. Regardless of where your stalls are, you will be asked to pull to the forward-most spot with your truck & trailer. During peak time (4+ trailers arriving Wednesday morning to afternoon), we will adhere to a 20-minute unload time (Unload first, organize later). To keep trailers moving through and getting horses out of the heat, you may be asked to pull up or back around if more than 30 minutes have lapsed.

- Each horse must be stalled separately, except for mares with nursing foals.
- No changes shall be made from assigned stalls without the Barn Super's permission.
- The first bedding of 4 shavings is included with EACH stall as a South Point requirement. No outside shavings allowed. South Point has the store open during show days for purchase.
- Rubber mats are available for rent if ordered in advance – 2 per stall. Stalls are on asphalt; barn aisles have cement floors.
- Hay is available for purchase from South Point at Market price.

Champion of Champions Information

Ch of Ch Classes will be open to the RGPHS & SCPPHC Spring Classic Champions of the current year GRC (qualified at show), PLUS all previous years Champions and Ch of Champions from: 1-RGPHC regional championship shows, SCPPHC Spring Classic Shows, and CCPHC shows from 2010-2014, & 2- previous NAPHA or COMBINED, PPHRNA, AAOBPPH, and PHAC National Champion of Champions. All previously qualified Champions and National Champion of Champions directly entering Ch of Champions classes MUST be fully pre-entered by 8:30 am on June 20th, or pay an additional \$75 fee.

1. Past Champions: A horse that is a past Champion or Champion of Champions (as defined in the section above) in any division may either enter directly into the corresponding Champion of Champions class for that division or enter into the qualifying classes for that division, but may not do both.

2. Laureados: Per NAPHA – No stallion or mare may compete for Laureado in Breeding Division unless it has at least one purebred registered offspring.

a. Laureado in one show, champion in the other show. A horse that is Laureado in any division in one show and Champion in that division in the other show may either enter directly into the corresponding Champion of Champions class or enter into the qualifying classes for that division, but it cannot do both. The horse may become a Champion of Champions in that division, but not for the show for which it is already Laureado.

b. Laureado in one show, not a champion in the other shows. A horse that is Laureado in any division in one show but NOT a Champion in that division in another show CANNOT directly enter the Champion of Champions class for that division. IT CAN ONLY enter the Ch of Champions class for that division as a Champion of the current year.

c. A horse entered in ANY class in that division will not appear on the class sheet of the judge for the show for which it is already Laureado.
